20th Edition

Dedication

To a dedicated teacher and our great friend, whose understanding has guided us throughout our years of scholastic training and social activity at Manheim Township High School; whose sincerity has inspired us; whose patience has encouraged us; whose wisdom has directed us; we, the class of 1962, proudly and respectfully dedicate this edition of the Neff Vue to Mrs. Claire L. Eisenhart.

High school is a treasure-house of knowledge in which the teachers are keys that unlock Doorways to Learning. Through any of these portals students may enter into a rewarding atmosphere of discovery and exciting preparation for the confusing world beyond. Behind these Doorways rests a wealth of knowledge in the humanities, the sciences, and the arts. The wise student makes full use of these intangible riches. The Doorways to Learning exist as a golden opportunity by which youth may acquire a foundation which will carry it through later life.

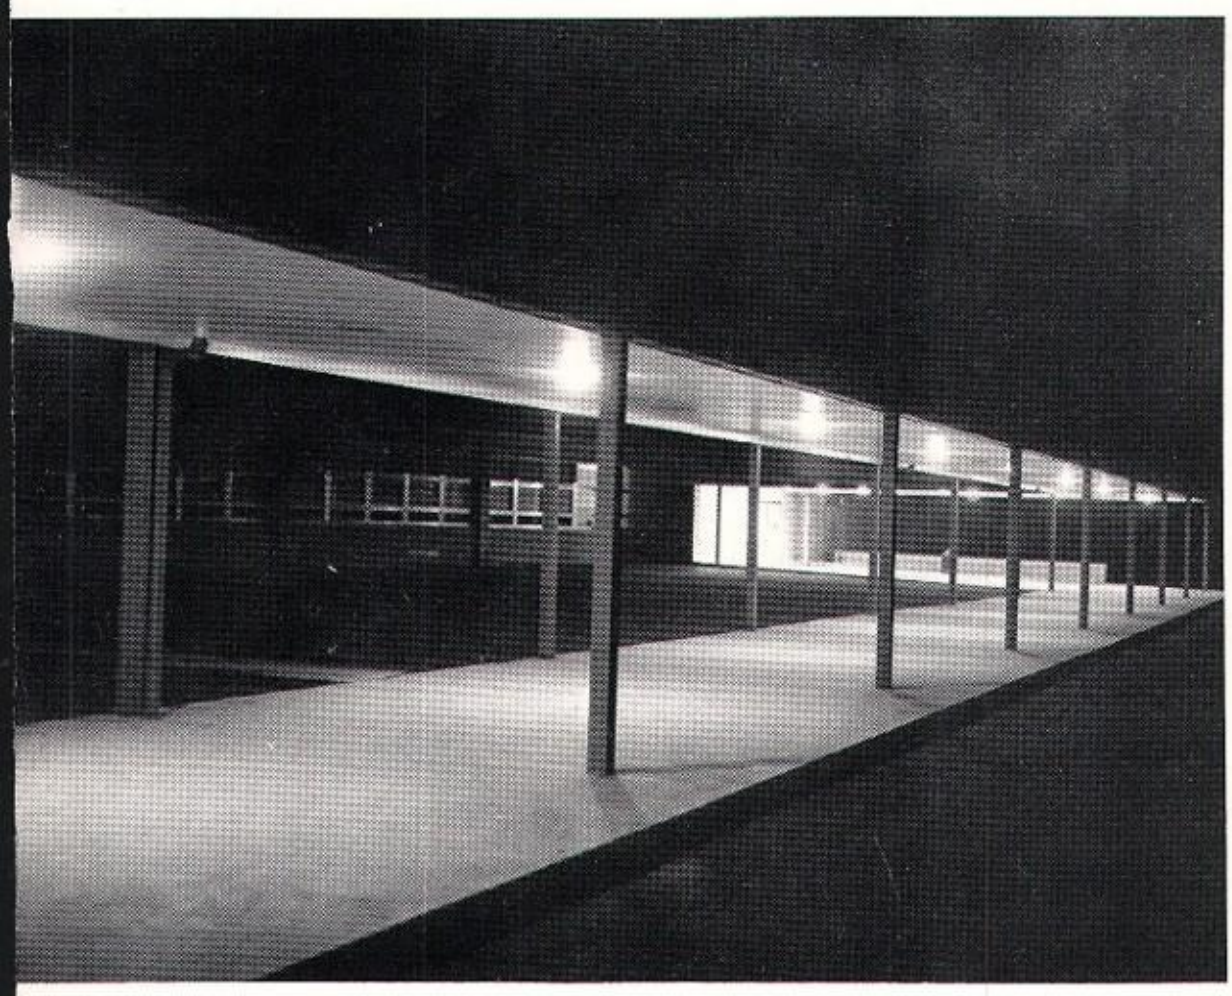
Doorway to Memorable Moments

The thrill of stepping on stage for the first time, or the wonder and joy of being so talented that you are chosen to represent your school as Halloween Queen! The feeling of pride in being selected to National Honor Society or the special excitement of backing your Sir Valentine! This is school life entirely removed from the classroom. Events like these are truly memorable moments for anyone who is young and loves to do and create.

How often have we opened these doors during our years at Manheim Township High School?. . .



The doorways of the school indeed hold memorable moments for many of us.

Pink String and Sealing Wax

The senior class presented **Pink String and Sealing Wax** by Roland Pertwee on November 17 and 18, 1961. This was an exciting melodrama about a typical mid-Victorian family. Mr. Strachan, a stern, dictatorial father, wanted his son Albert to enter his own profession, that of a chemist and analyst. On the contrary, Albert wanted to become an engineer. A similar conflict arose between Mr. Strachan and his daughters. When Albert became involved in a romantic trap, the whole family helped him out of it. The closeness which developed through their loyalty to each other, made them a happier family.

Pink String and Sealing Wax was a hit with the audience.

Father and Dr. O'Shea discuss the autopsy.

Jessie hears about Emily's experience at the theatre.

The Perplexing Problems of Youth

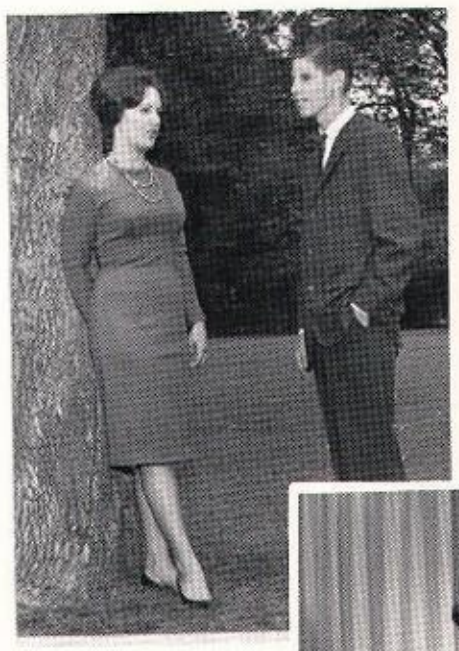
"Just another daily crisis."

June Mad, by Florence Ryerson and Colin Clements, is the most appropriate description of the season of the year and the condition of the Wood family.

Growing up has never been easy, but it was especially difficult for teen-age Penny Wood as she struggled to adjust to the ways of adult life. Penny had gone with Chuck Harris, the boy next door, for several years and their friendship was quite complete until one day a handsome college senior came home with her Uncle Mervyn. She immediately discarded all of her childish antics and attempted to become the attractive young lady who would appeal to a college boy. In her attempts to please Roger, she disrupted the lives of many who were close to her. However, from this experience Penny learned the value of friends and the need to associate with people her own age. All this was vividly portrayed by the junior class when they presented the play March 30 and 31, 1961, under the direction of Mr. Russell Berkheimer in the C. Howard Whitmer Auditorium.

The Styles and Fads of 1961-1962

Joan Fellenbaum and Mike McCue model school wear.



Date attire is worn by Lonnie Kulp and Tony Witter.

Relaxing in sports garb are Jill Gunner and Dick Epler.

Margie Parman and Jim Buller pose in formal clothing.

The year — 1961-1962. Trench coats and sneakers appeared everywhere. Short skirts, high socks, and Capezio shoes were favorites with the girls, and it was continental pants, ivy league shirts, and crew neck sweaters with the boys. Teased hair became stylish for the girls, and Princeton hair cuts predominated among the boys. Both boys and girls wore bermudas and clam diggers when they headed for the Shore. Pizzas and cokes intermixed with the Twist and the Bristol Stomp created a typical weekend party atmosphere. **Parrish** and **Breakfast at Tiffany's** highlighted the cinema fare of the year. **Michael, Run Around Sue,** and **School Is Out** topped the popular record charts, and Bobby Rydell, Frankie Avalon, and U.S. Bonds were included in the well-liked recording artists.

Styles and fads remain significant factors in the life of a teenager. These were this year's styles and fads, but they are forever changing and no one can predict what they will be in the future.

Joy Groeschel and Betty Diller leave school in a foreign made Sprite.

Jack Burkholder and Nick Andes display a Valiant.

Sixteen Seniors Recognized As

This year the senior class has recognized the outstanding personalities in the class.

The Superlative List was designed so that the seniors could honor other members of the class.

For the boys and girls on the list, there is the praise their classmates have given them; and to the class which selected them, they represent a symbol of the activities of the school years.

The selection of these people took place early last fall when the seniors met in the auditorium to nominate and elect their choices for this new activity.

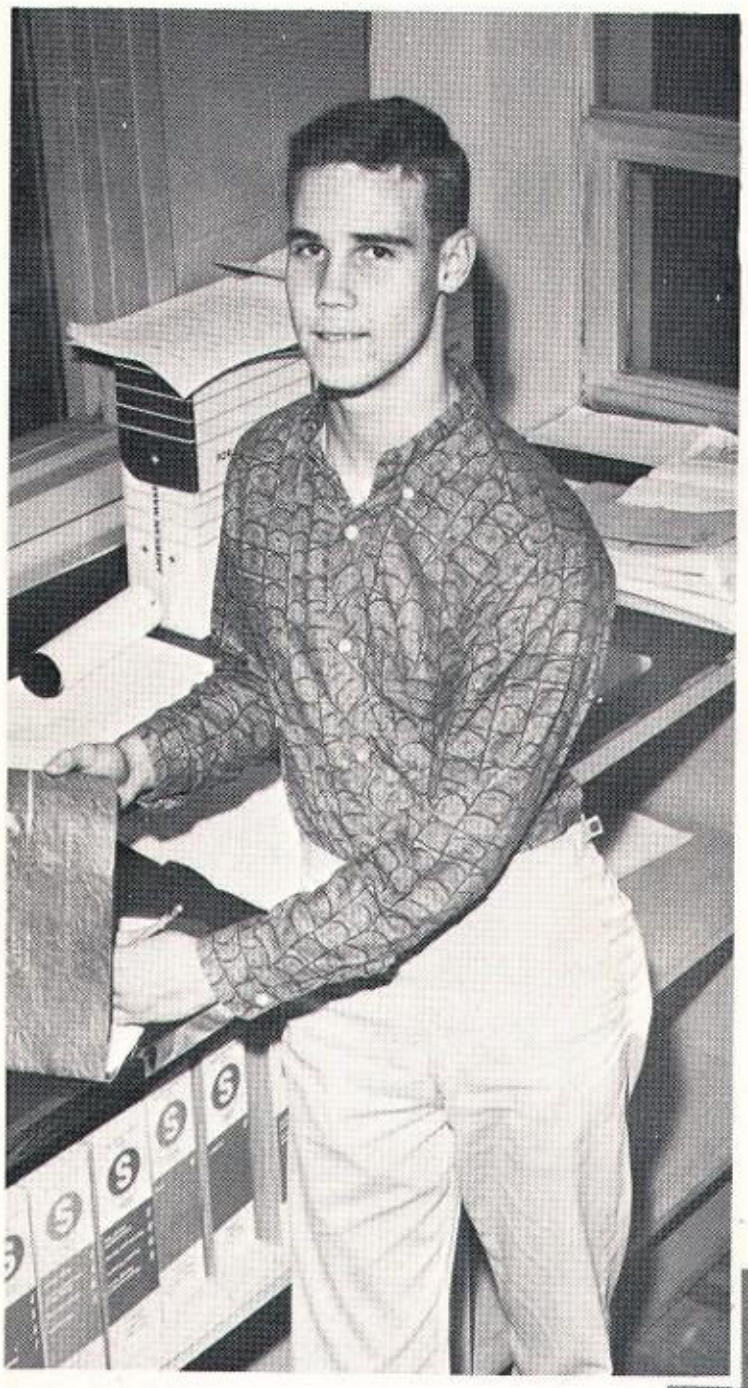
Top Academic Seniors Also Achieve

Lights burned late, pencils grew dull, patience sometimes became short, but ability shone through. What makes an outstanding academic student? It is indeed an accomplishment to achieve a high scholastic standing in high school but it is even a greater achievement to receive a high rank and also serve your school and classmates well. These seniors have been a credit to our school and they are fine examples for students in all grades to follow.

After graduation Tom Patterson will attend Penn majoring in chemistry; Gretchen Bennett is interested in Goucher College as a language major; Irv Rachstein would like to study law at Harvard; Pat Lewars has been accepted at Mary Washington College as a psychology student; Ron Myers expects to attend Carnegie Tech in the field of chemistry; Ruth Ann Smith intends to study medical technology at Lebonan Valley; Steve Maurer will go to Amherst; and Nancy Sachs is interested in Katherine Gibbs.



TOM PATTERSON

Tom Patterson; a successful participant in science contests and the Math Club, Tom also helped lay out the 1962 Neff-Vue.

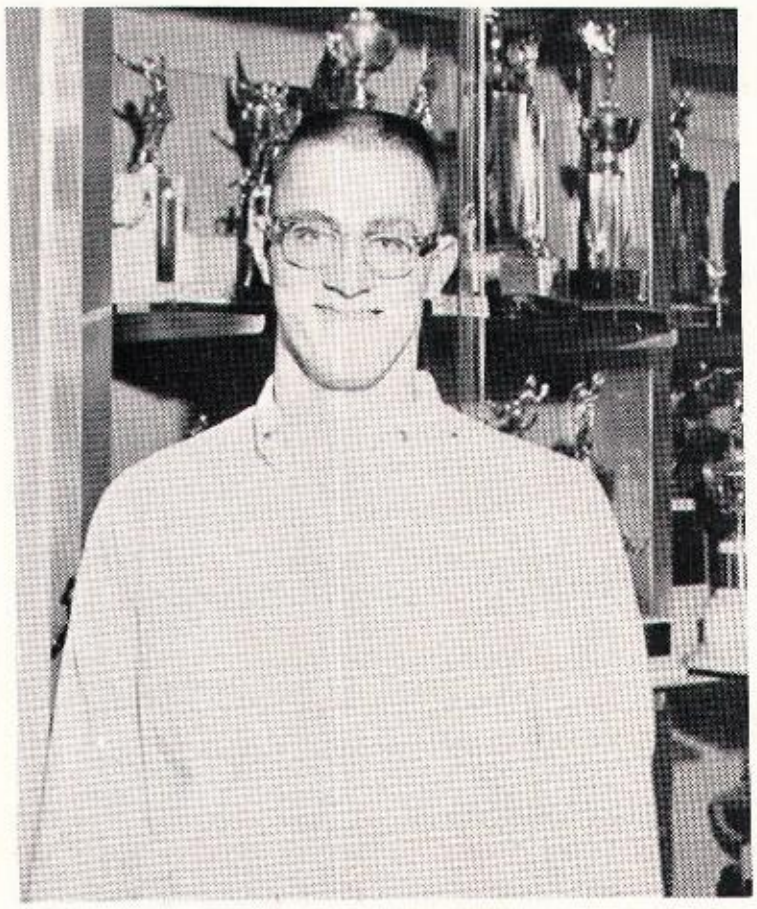
PAT LEWARS

Pat Lewars; In addition to participation in the Synchronized Swimming Club, Pat rendered assistance in the library.

GRETCHEN BENNETT

Gretchen Bennett; a fine asset to Manheim Township and the senior class, Gretchen served as co-editor of the Hi-Lite.

Athletic and Activity Status



NANCY SACHS

Nancy Sachs; a member of the band and orchestra, Nancy was also head typist for the Neff-Vue and the Hi-Lite.

STEVE MAURER

Steve Maurer; Athletic Steve Maurer brought much recognition to the school as football co-captain, All Conference Guard, basketball and track star.

IRVING RACHSTEIN

Irv Rachstein; Student Council and Senior Class President, Irv was an outstanding school leader.

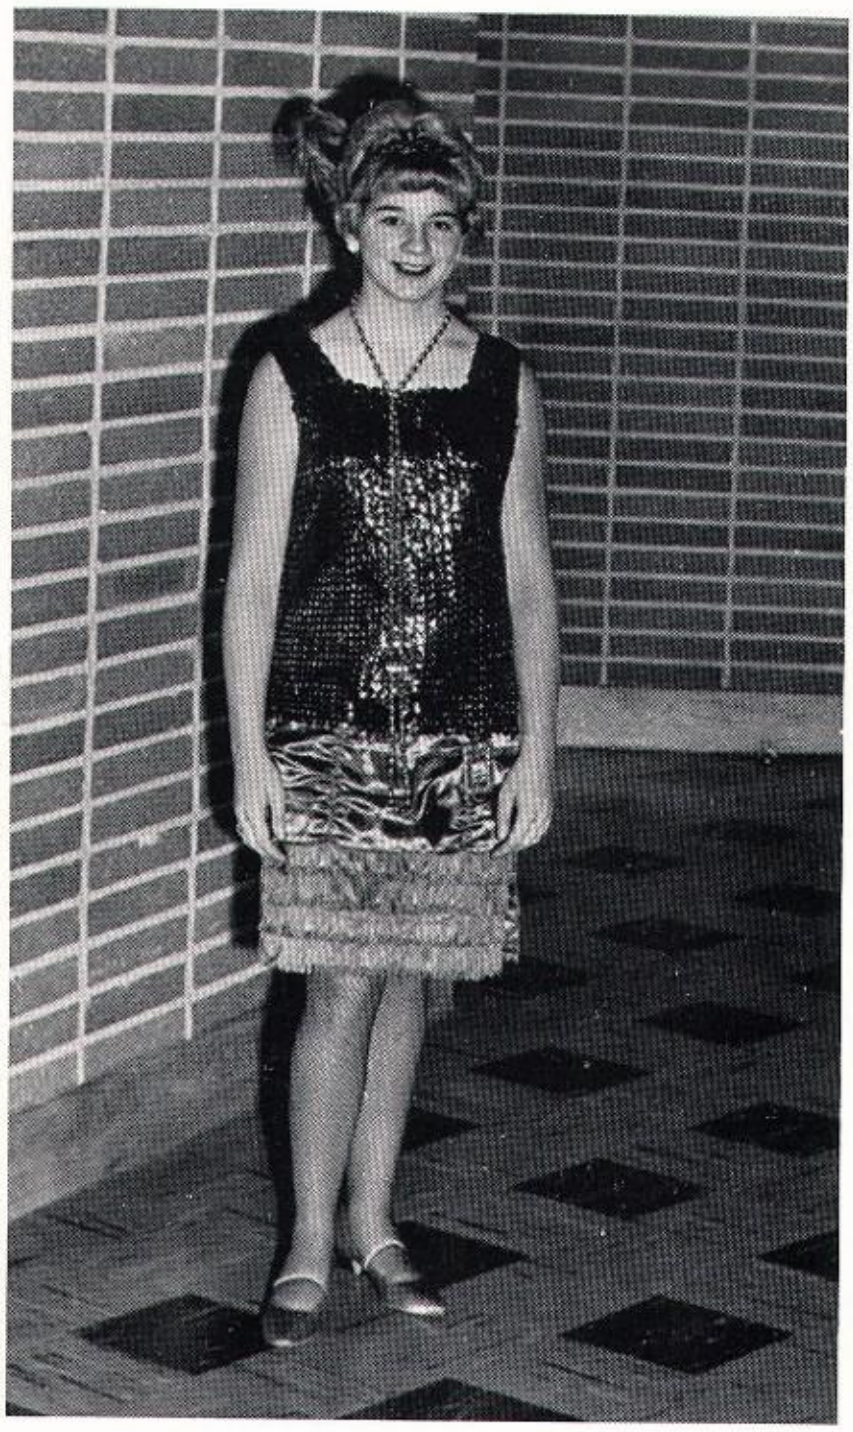
RONALD MYERS

Ronald Myers; Ronald who was proficient in many activities demonstrates one of his talents.

RUTH ANN SMITH

Ruth Ann Smith; a skilled accompanist for the choir, Ruth Ann was also a membeer of the National Honor Society.

Halloween Queens



SENIOR HIGH QUEEN
Sandy Boore

Sandra Boore, a member of the sophomore class, was chosen by the Manheim Township Senior High School as its queen. Sandy performed an original version of the Charleston. McCaskey High School was the site of Sandy's next performance. There she presented her dance routine in the annual Spooknacht activities.

The Junior High School, grades 7, 8, & 9, chose Marianne Wiggins as their queen. Marianne sang "He's Got the Whole World In His Hands." Marianne also performed in the County Spooknacht contest and was very fortunate to have been chosen runnerup of the junior high queens from all over the county. This is the second time Marianne has won in the Junior High School.

Future Teachers Receive Charter

At the beginning of the 1961-62 season, a new club was added to Manheim Township's varied activities. Presently, the members are just girls, but in time, the club feels confident that many boys will show their interest in becoming teachers.

Since Future Teachers of America is a fairly new club, most of their time is spent drawing up charters and planning the purposes of the club. To introduce the club and its members to the school, an induction ceremony was held in assembly.

One of the main purposes of this club is to get the students interested in teaching and to understand the duties of a teacher. A trip to three Township elementary schools to observe some classroom teaching will be one of the main highlights of this club. If possible, each girl will go to the grade of her choice and spend a few periods working and helping the teacher. Only by working closely with the children is one able to know whether he has the patience and real desire to become a teacher.

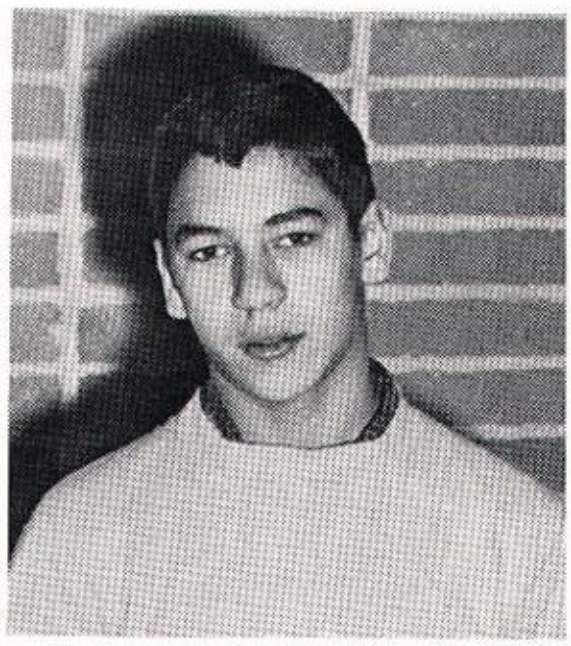
Charity Benefited by Sr. Valentine



SENIOR HIGH
MELVIN HESS

JUNIOR HIGH
RUSTY LONG

$2,047.29 was collected for this year's Sir Valentine Contest. Although this contest is now carried on in other schools of the county, in none has it reached the popularity and success as it has in ours which was originated in 1953 by Mrs. Dorothy Nystrom, our librarian.

In this annual Sir Valentine Contest each senior high school class selects one boy to represent it and raises money for their candidate by holding bake sales, selling lollipops, etc. One penny buys one vote, and naturally, the candidate with the most votes becomes Sir Valentine. The junior high contest is much the same, but two candidates are nominated from each class.

Although in precious years, all proceeds went to the Lancaster Heart Haven, the money from this year's contest was divided equally among March of Dimes, Red Cross, the Tuberculosis Society, and Heart Haven. This new idea was inaugurated by the Student Council with the backing of the faculty and the student body. The collection jars were still placed in the library, but the contest was handled by the Student Council.

Congratulations to all Sir Valentine candidates and especially to Melvin Hess, 9th grade and Rusty Long, 8th grade, Sr. and Jr. High School Sir Valentines, respectively, for making it possible for us to surpass our 1961 total by $324.13. The contest was really lively with Jr. Slave Day, Sr. Dollar Day, and Melvin's Hay Hop.

"To create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character" — these are the noble purposes of the National Honor Society at Manheim Township High School. No more than twenty-five per cent of the senior class and twelve per cent of the junior class may become members. Membership in the chapter is limited to juniors and seniors who are in the upper third of their class. Besides scholastic ability the candidate must demonstrate sound leadership and character traits and must have served his school and fellow students.

The day before the induction ceremony a red rose is presented to each inductee to inform him of his acceptance. The ceremony itself, performed before the entire school, is solemn and impressive. The lighted candles and the various speeches serve to convey the high ideals of the society. The flaming torch, emblem of the National Honor Society, symbolizes the light of truth. This torch is fixed on a keystone whose four sides represent character, leadership, scholarship, and service.

The guest speaker for this year's program was The Reverend Dr. Wallace E. Fisher of the Trinity Lutheran Church of Lancaster whose subject was "The Betrayal of Life's Precious Things." Members of the Honor Society conducted the ceremony including an explanation of the four cardinal principles of the National Honor Society.

Doorway to Diversification

Extra-curricular activities are unquestionably recognized as vital factors in the molding of a student's character. In line with this philosophy, Manheim Township High School has developed an extensive program of clubs in which our students have a wide choice of varied activities, which result in an increase in knowledge and in opportunities to exercise leadership and to develop new skills.

Experience in extra-curricular areas is an invaluable aid in preparing us for our adult careers.

The auditorium has often been the setting for various activities.

The senior high student council was altered this year by both constitutional and structural changes. The changes made were: each of its members served on one of five standing committees; its meetings were held during the school day; and its members will be elected by the classes at large in the future.

In addition to sponsoring its usual school affairs, the council took upon itself the handling of the Sir Valentine contest, the money from which was distributed among the various charities, and the sponsoring of a foreign exchange student who will attend Manheim Township during the 1962-63 school year.

Student-faculty committees were also formed to discuss assemblies and general school affairs. It was the hope of the council that these committees might bring about closer understanding and co-operation between the faculty, administration, and students.

The Junior High student council is advised by Mrs. Vera Latshaw. It has undertaken many projects in the past four years, but probably the project deserving the most recognition is the sponsoring of a scholarship fund for a foreign exchange student. This is a four year tuition paid scholarship and is currently being used by Mr. Tom Duba from Sierre Leone, Africa. He is studying at Millersville State Teachers College. To support this scholarship fund the council sponsors several record hops plus a Halloween Dance and a seventh and eighth grade dance. Also, every day after school, the council members set up a snack bar where students may buy ice-cream and candy.

Early this year, the officers of the council attended the District Student Council Conference at McCaskey High School. The student council is an essential part of the Junior High School.

School Publications Edited and

Editors, reporters, photographers, advisors — all with one aim, the publication of The Hi-Lite, our school newspaper. It is published twelve times a year by a staff under the direction of Mr. Barry Weinhold and Mr. Ronald Essick.

The reporters of the Hi-Lite are juniors and seniors chosen in the second semester of their sophomore year. The editors are selected from these reporters when they are juniors, and serve until the second semester of their Senior year.

In order to see the actual workings of the newspaper press, several staff members accompanied the editors to the publishers. There they inspected all the machines and saw the amount of work involved in printing The Hi-Lite.

This year The Hi-Lite was awarded a first class rating by the National School Press Association. It also received a Keystone Award for the first time in its history, after being judged superior by the Pennsylvania School Press Association.

The Hi-Lite staff for the coming 1962-1963 year will include Nancy Wilcox, Editor; Jackie Logue, Co-Editor; June Zuck, Feature Editor; Marty Powl, Sports Editor; Ed Moen, Assistant Sports Editor; and Sue Schneider, Business Manager.

The goals of the newspaper are to keep its subscribers up-to-date about junior and senior high school news and to entertain with an interesting and thought-provoking feature page.

Published by Student Journalists

Assignments, deadlines, work, work, and more work! Every Tuesday morning the members of the Press Club met for the sole purpose of publishing the 1962 Neff-Vue. Throughout the year the club was confronted with four deadlines, which after much sweet agony and weary work were always completed with success.

In addition to writing articles, the Press Club members must also undertake the task of soliciting ads, photographing and captioning pictures, and completing the school-wide campaign successfully.

At times ideas were few and far between and nothing ever seemed to turn out right. Editorials were either too short or too long or the pictures were out of focus. But with the patient guidance and able direction of Mr. Warren Druckenbrod, Mr. Robert Murphy and Mr. George Ehemann, the problems were soon solved. The 1962 edition of the Neff-Vue could not have been published without the assistance of these advisers. The job of editing a yearbook is long and tedious, but the pride and satisfaction the staff felt after that last deadline made it well worth while indeed!

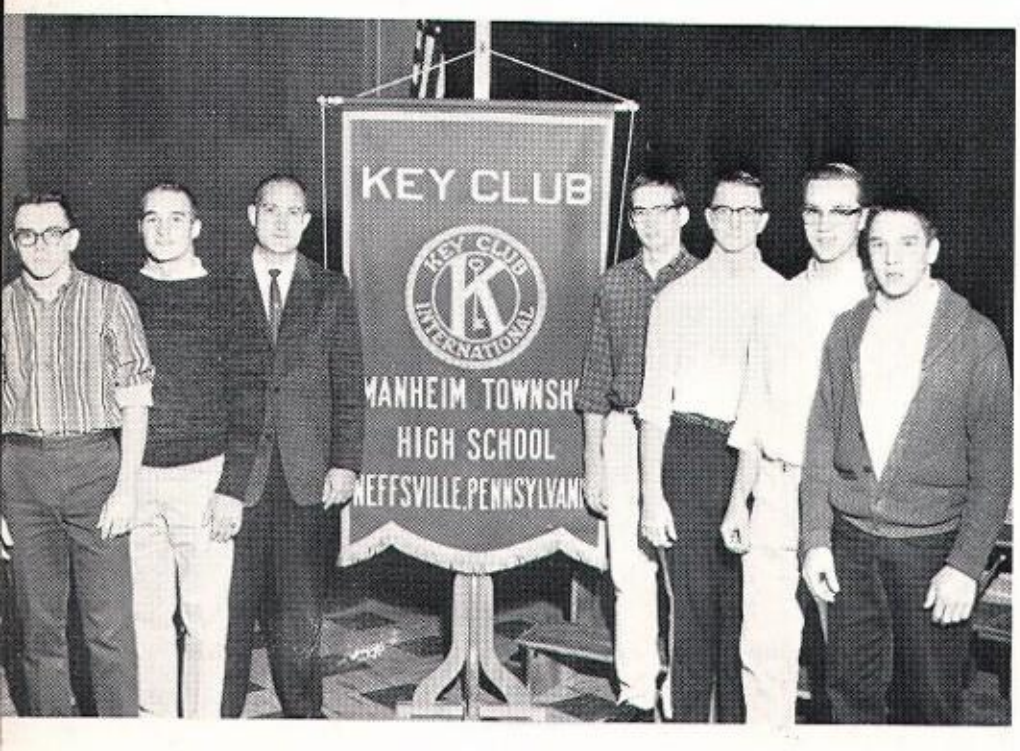
Club Serves School and Community

The Key Club is a worthwhile school organization whose main duties are to serve better the community and school in which its members live and attend. It is open to all boys in grades 10,11, and 12, who are interested in maintaining the high standard of Manheim Township High School. This year the club is under the able direction of Mr. Robert Graupensperger.



Throughout the year the Key Club undertakes various school projects. Their main event comes directly after football season, when with the Tri-Hi-Y they co-sponsor the Varsity Drag, a dance honoring all the school's varsity sports. During the football and basketball seasons members of the club can be found selling hot dogs and cokes to hungry fans at the school's refreshment stands. As a money raising project this year the boys are working on a School Directory and it should be completed early this Spring. Also in the Spring the club plans to send several boys as representatives of Manheim Township High School to the annual Pennsylvania State Key Club Convention, to be held in Pittsburgh.

Officers

Ward Latshaw, President; Jody Glass, Chaplain; Mr. Graupensperger, Adviser; Larry Hammond, Treasurer; Nick Andes, Chairman of the Board; Paul Wolfe, Secretary; Kenny Hess, Vice-President.

Leadership, Service, Fellowship

Service, personal development, and fun; these are all ingredients of Tri-Hi-Y, a girls' organization, dedicated to school and community and affiliated with the Young Women's Christian Association. This year's activities included a big sister, little sister day when seniors "adopted" new members, packed them a lunch, and headed for a picnic in the art room where everyone prepared decorations for the Varsity Drag between sandwiches. The girls made the Christmas season jolly by working in the Toys for Tots project and caroling at an old folks' home. During club periods there were various speakers including Manheim Township's exchange student Christa Schorr, who spoke on her native Germany and answered the queries of the girls. A representative of Bell Telephone came in at Christmas time to instruct the club members in the fine art of gift wrapping. Other service projects were ticket-taking at school functions, sponsorship of the Varsity Drag with the Key Club, and refreshment stand duty at football games.

As Mrs. Fegley said when she spoke at the club's candlelight induction service, "One of the main aims of the Tri-Hi-Y is to build good Christian character." This is achieved through warm fellowship, friendship, and charity to others.

Le Groupe Que Étudie La France

Parlez-vous francais, Mesdemoiselles? The French Club is under the supervision of Miss Joan Nolan, and its purpose is to give all those students interested a better concept of France and the French speaking people. During the meetings, held every Tuesday morning, the members learn of the different French provinces, see pictures concerning the country and Paris, and discuss the traditions and customs of the people.

Throughout the year the club undertakes various projects. At Christmas time all the members of the club collect cartons ot clothings and toys. They, then, send these cartons to a small children's hospital in eastern France. As a means of fund raising, the girls hold several bake sales during the year and in the Spring the club has a snowball sale. With the ten cents dues collected each week the club plans to take a trip to Harrisburg and to eat dinner in a French restaurant.

The French Club is an ideal opportunity for everyone who is interested in France and its culture or plans to continue studying the French language in college.

"Sprechen Sie Deutsch?" is one of the first questions a prospective member of the German club would be asked. Specifically the club's purposes are to learn more about the culture of Germany and to be able to converse in German with greater ease. Mrs. Peters, the sponsor of the new club, has been increasing their comprehension by reading to them. Also the club reads German orally in order to receive pointers in the pronounciation of the language. To increase their knowledge of Germany's culture, the club has been listening to tape recordings of a German announcer describing the customs of his country.

Looking towards the future, the club is raising money in order to bring a German Foreign Exchange student to our school. For this reason the club held a bake sale at the Manheim Central wrestling match. Also a majority of the members have German pen pals, to whom they are writing letters in German. Already some of the members have received interesting letters in return.

Music Is Eternal, Never Ceasing

CANDLELIGHT SINGERS . . . Sallie Gorman, Lynne Long, Linda Moorhouse, Don Lawrence, Richard Bedient, Mr. Shaar, David Wohr, Barry Sawyer, Julie Sesseman, Janet Huston.

The Candlelight singers were organized in 1947 by Mr. Harold W. Shaar, who continues to head the twelve members of this organization.

All singing is done a cappella and the singers, usually wearing formal dress, sit around a candle-lit table; hence, the name of Candlelight Singers.

The singers prepare and present entertainment for various engagements upon request throughout the year. This year they gave enjoyable performances for the Pilot Club, the Lancaster Kiwanis Club, the Rotary Club, and participated in the annual Christmas Vespers program.

Poise is obtained by talented young singers taking part in the Solo Club. Under the direction of Mr. Harold W. Shaar, the club meets weekly after school. Inter club performances enable the student to receive constructive criticism from the other members. By appearing in assemblies, the students are able to gain self-confidence.

Sweet Music Enlightens the Soul

"We Got Shoes" is a song familiar to every student of Manheim Township High School. This is one of the more popular numbers rendered by the Senior Choral Club. It is composed of people who like to sing and who have natural ability. This club serves as a training chorus for those who wish to join the choir. The one hundred and twenty members, who are in grades 9 through 12, meet every Tuesday morning during the regular club period. They also spend many extra hours in special rehearsals when preparing for concerts and assembly programs. All who were at the Christmas program will not forget their singing of "The Birthday of a King." The Senior Choral Club also took part this year in the Christmas Vespers, school assemblies, the Orchestra concert on March 17, and the Choral concert on May 4 and 5.

The officers of this club are as follows: Kathy Wubbels, President; George Brown, Vice-President; Susan Weidman, Secretary, and Peggy Langford and Mary Ellen Stumpf, Librarians. A very important complement to any singing group is the pianists, who are Beth Kochenour, Susan Martin, and Kathy Wubbels.

The members of the Senior Choral Club are to be commended, for they are a fine addition to the music department and the activities program of Manheim Township High School.

Chorus Provides Expression in Song

An active interest in music and the passing of a simple tryout were the only qualifications for membership in the Junior High Chorus. About one hundred seventh and eighth graders, who enjoyed singing, constituted this hard-working organization which was directed by Mr. James Garrett, Jr. The members met formally once a week to rehearse for the various concerts in which they took part. Many extra hours of practice and hardwork were necessary to complete the preparations for these performances.

On December 22, 1961 the Junior High Chorus sang several selections in the annual Christmas program. In an assembly on March 9, 1962 the Chorus presented to the Junior High School a preview of the concert which it later conducted on April 7.

In that concert the Chorus sang Huston Bright's "Four Sacred Songs for the Night" — "Evensong," a vesper; "Nightfall," a compline; "Dawn," a martin; and "Sunrise," a laud. Other selections were "Come to Me, Bend to Me" from **Brigadoon** by Lerner-Loewe; "March of the Toys" from **Babes in Toyland** by Victor Herbert; and "America Our Heritage" by Helen Steele.

The purpose of the Junior High Chorus is to furnish boys and girls who have an interest in singing with the training and experience they will need to become skilled vocalists in the Senior High School Choir.

The sixty-five member Junior Band began its season by providing pre-game entertainment for the newly organized Junior High Football Team.

At the end of football season, the show music was put away, the uniforms were hung in the closet, the majorettes began playing their instruments, the concert music was passed out, and work began for the spring concert. After many hours of practicing at home as well as at school, the members felt ready for their concert which they gave on April 7. Among the selections heard were: "High School Cadets March," "Thunder March," and some of Frank Ericson's works.

Under the direction of Mr. James Garrett, the students learn not only how to play their instruments, but also the basic fundamentals of music such as: music appreciation, increased awareness of dynamics in music, and how to perform various formations on the field as well as better technique and rhythm.

The only requirement for membership in the Junior Band is that the 7th or 8th grader show talent on his particular instrument and has a strong appreciation of and interest in music.

The Senior Band began its twenty-eighth year by providing pre-game or half-time entertainment for all the varsity football games. It also encouraged the team with its lively music at pep rallies and during the games.

The Band represented Manheim Township at the Manheim farm show and the Veterans Day parade in Lancaster.

After the football season terminated, the band began practicing for its spring concert of April 18th. Highlights of the program were: "The Sound of Music," "Cowboy Rhapsody," and "Proud Heritage."

Under the leadership of Mr. Donald Mease, the members not only learned the obvious fundamentals of music, but also the importance of punctuality and neatness.

Several of the members participated in District and County Band. This was good experience because the students met other musicians, and had the experience of working with different directors.

The Sound of Music Brought to

The 1961-1962 season of the Manheim Township Senior High School Orchestra has had an eventful and busy season. This year the representation at District Orchestra was the largest in the history of the school. Among others, eleven string instruments attended District Orchestra which was held at Lebanon High School.

"Silhouettes" was the title of the Senior Orchestra and Senior Choral Club Concert which included the combined efforts of the orchestra and choir in melodies from Jerome Kern. During the orchestra's segment of the program they played selected tunes from the

The orchestra also provided the musical entertainment during the intermissions of the Junior and Senior Plays.

The Spring Concert this year was a French Show under the direction of Miss Joan Nolan. Gretchen Bennett, a member of the senior class, wrote the words to the song, "What do you think of American Girls?" which was accompanied by the Senior Orchestra.

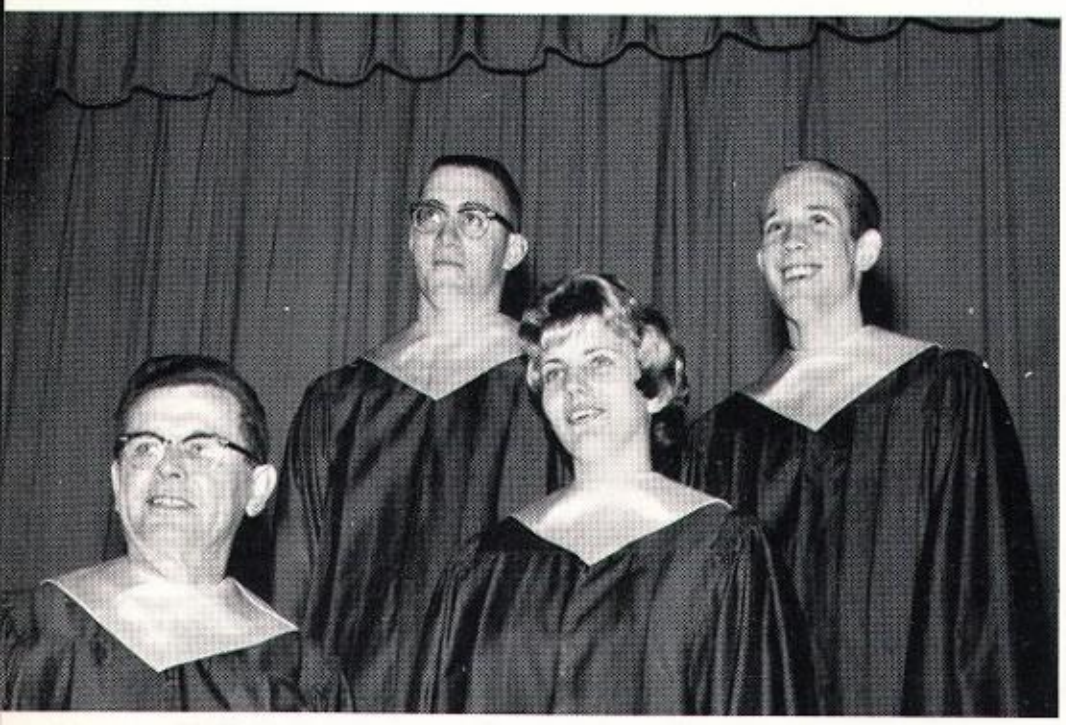
Praise Worthy Recognition for the

With the sharp tap of the director's baton another praise-worthy and enjoyable concert begins. The 110 voices of the Manheim Township Choir, under the direction of Mr. Harold Shaar, blend to form one of the most outstanding choirs in the county.



Throughout the year the choir performs on many occasions. At Christmas time they gave the Vesper Service where the group presents the celebrated "Hallelujah" Chorus. They also take part in the Baccalaureate and Commencement exercises. Early this Spring the entire Choir participated in a musical based on a French theme which was written by several of the students.

Every year members of the Choir are selected for the county and district Chorus. Last year Manheim Township was host to approximately 100 students representing the District Chorus. While visiting here the boys and girls were guests at the homes of the Manheim Township Choir members and their families.

There were thirteen members of the choir who represented this school at District Chorus. They were Joe Weidel, Janet Huston, David Grahek, Barry Sawyer, David Wohr, Julia Sesseman, Linda Moorhouse, Nancy Rummel, Don Lawrence, Alta Eichelberger, Mary Graetz, Jane Lausch, and Barbara Moorhouse.

The Junior high school orchestra is composed of a group of energetic young musicians who have the goal of being members of the senior orchestra in their future years at Manheim Township High School. This group meets once a week during the school day and individual instrumental sections meet after school each week. The membership for the orchestra is open to any and all string instrumentalists and the best of the wind and percussion instrumentalists from the band.

The orchestra has a busy schedule with three important programs during the year to prepare for. The annual Christmas program was given for the student body December 22, 1961. Assembly entertainment for March 9, was supplied by the orchestra. On April 7, the Spring concert was given. The compositions for this program included were "Three Hungarian Songs for Children" by Bartok, "Gymnopedie #3 by Eric Satie, "Finale from Carnival Opus 9" by Robert Schuman, "Author of All Chorale" by Palestrina, and two compositions by Matesky, "Cowboy Rhapsody" and "Welsh March."

"Act Well; There the Honor Lies"

The Junior High School TEEN ACTORS, under the direction of Miss Mary Weaver, is rapidly becoming one of the schools most active clubs. The members, twenty seventh and eight grade students, spend their club meetings and many extra hours after school preparing for plays. This group is chosen on the basis of talent, desire and good character.

Each year this youthful club prepares for and presents two plays for the student body. Every member has a good part in at least one of the plays and helps backstage during the other.

Bakesales and dues provide the finances for club projects. An annual picnic at Hershey Park in the spring is looked forward to by all. The money for it comes from the club treasury. This year, for the first time, they are contributing to the support of the Student Councils Foreign Student at Millersville State College.

The first play of the 1961-1962 season was presented a few weeks before Christmas in an assembly program. The cast presented a one act comedy entitled **The Ghost Wore White.** Plans are being made now for the next production sometime in spring. In preparation for this, they are reading several short plays during club.

Junior, played by Harry Roseman, keeps a bead on Mr. Reynolds, portrayed by William Early, as Joanne Heiserman, Beth Huber, and Christina Kobland give him moral support.

"If my gun collection had real guns, I'd have caught that ghost long ago," says Junior to Mrs. Mason and Maudy played by Christina Kobland and Sue Teel.

The Biology Club which meets every Tuesday is composed of any senior high school student who takes biology or who has already had biology, and has an interest in exploring the field farther. During the meetings the members discuss different questions, and very often one member gives a report on his special interests or a trip he has taken. The members do extra microscope study, dissecting and view movies.

Every member of the club works on a project for the Lancaster County Science Fair which is held each spring. Manheim Township has always had a good showing at these fairs. Last year's entries included the "Embryo of a Chick," "Techniques of Taxidermy," and "Histotogy and Photomicrography."

Following the Science Fair, the students attend the Junior Academy of Science. Last year this was held in Hershey, Pennsylvania. Not all of the students have the chance to enter but most attend. The club also takes several planned field trips during the year. They visit other science tairs, hospitals, local colleges and museums. The amount of traveling depends on the enthusiasm of the students participating.

The club is made up of Freshman boys who are interested in further study in the field of science. The boys meet every Tuesday morning and because of its small size, more time can be devoted to the individual interests and questions of each of the members.

During the club meetings the boys may work on specified projects in assigned groups, or Mr. Kreider may conduct experiments concerning such weather instruments as the hygrometer, barometer, or the rain gauge.

Boys and girls from all four grades in the senior high school make up the membership of the Manheim Township Rifle Club under the direction of faculty advisor Mr. Dean Lemon.

The main purpose of the Rifle Club is to instruct the interested pupils in the proper handling and usage of firearms. All club members fire once a week at the school rifle range, located under the stage of the C. Howard Witmer Auditorium. From this the best marksmen are chosen for the Township Rifle Team.

Being a member of the National Rifle Association of America, our club can, in turn, offer a junior membership in that association. The best sharpshooters receive medals for their proficient shooting from this organization.

Choreographers for the show are Mrs. Stockton and several student instructors. The finale of last year's show was the "Graduation" routine performed by the six seniors of the club. Also featured were a trampoline act and a vocal number by a double quartet. This year the entire water show will be co-ordinated around a central theme. All music will be hits from popular Broadway shows. Costumes will be designed by several girls in each routine.

Backstage Crews Aid Entertainment

Backstage during all activities held in the auditorium, there is a conscientious crew of boys. Each does well his particular job, whether it be adjusting the lights or the amplifiers, drawing the curtains, or operating the projectors. If a film breaks, or the lighting system needs revision, they are always equal to the task. Work has been their key to success.

Although they are behind the scenes everyone realizes and appreciates the vital part the stage crew plays in producing a worthwhile program; for no program could be a success without their help. Their greatest satisfaction is the realization that they have helped to make these plays, concerts, and assemblies successful.

Scenes in the Art Department

The art department is a necessary part of many school activities. Almost any morning before school you can find the cheer leaders in the art room working up a poster or making booster tags to promote some current school activity. Many weeks before the curtain goes up on one of our two annual plays, the art department has been hard at work. Mr. Richard Miller, senior high art teacher, helps to plan, construct and erect the sets; he also silkscreens posters to be used in promotion of the plays. Besides conducting general art classes and helping with many outside activities, Mr. Miller and Mr. Bare, the junior high art teacher, offer extra guidance to those students who continue to take art classes.

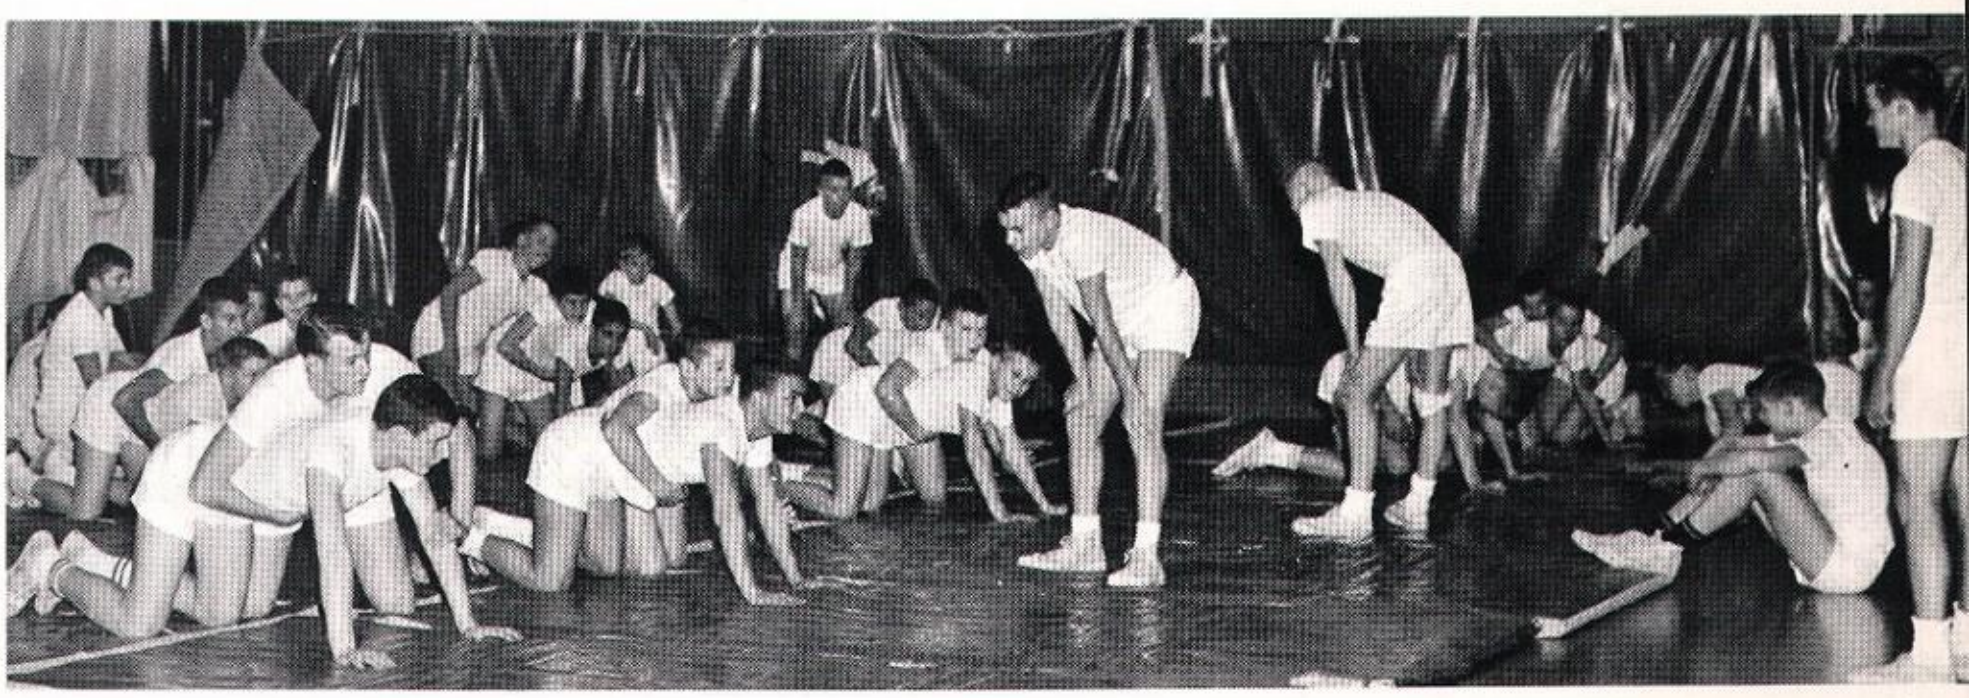
Junior Wrestlers Learn Fundamentals

A comparatively new club at Manheim Township, the Wrestling Club, in the junior high school, is growing in popularity. Fifty-nine boys from the seventh and eighth grades were members during the 1961-62 school year. These boys, under the leadership of Mr. Eugene Miller, met every week during the club period.

The only qualifications necessary to join this club are a desire to learn and an interest in wrestling. Many of the boys who join are those who have another sport after school but who still want to wrestle. The purpose of the Wrestling Club is to teach its members the fundamentals and rules of the sport. It also gives the boys an opportunity to practice wrestling with others of their size and weight.

Although there are no officers of this club, there are three student leaders. They are Randy Herr, Robert Coy and William Greiner. The climax of the year for the Wrestling Club was the intramural wrestling tournament in the spring of the school year. The finals of this contest were held in an assembly period for the entire junior high school.



Doorway to Physical Fitness

Recently President John F. Kennedy said, "We do not want our children to become a generation of spectators. Rather, we want each of them to be a participant in the vigorous life."

It is a recognized bit of philosophy in Manheim Township High School that participation in our physical education program not only builds the body but also develops the mind, and is the framework of a better character. In Manheim Township High School every individual has the opportunity to prepare for the vigorous life which President Kennedy advocates.

Team to Conference of Roses Title

We are from Township, mighty, mighty Township! A bruising defense which was complemented by the running of Jody Glass played a major role in making the 1961 Manheim Township football squad the first undefeated and championship team in the school's history. With a huge defensive line, that outweighed every other football team in Lancaster County, the Streaks limited their opponents to an average of 6.3 points a game, the best in the County. Jody Glass made up most of the offensive punch but was greatly aided by fullback Bob Rockwell.

For both coaches and players alike, it was a long, hard struggle from pre-season practice in August to the championship in October. After poor showings in scrimmages with Lebanon Catholic and Susquehanna Township, the coaching staff had its doubts about a successful season.

Things looked brighter after the Streaks beat Lancaster Catholic in the opener, 19-6. But when Donegal missed beating Township in the last minutes 20-14, the team wasn't given much of a chance for the title.

The squad finally jelled when they beat Elizabethtown, 20-6. Bob Rockwell was the key to the transformation. Bob was moved from tackle to fullback and became a threat up the middle. This took some pressure off Jody Glass and gave the team more confidence.

After the E-town victory, Columbia came to Neffsville with upset in its eyes, but the Blue Streaks won, 20-6. Hempfield fell much easier, 40-6, in the next contest. Then against a tough Red Lion team Township played what many consider their best game of the season in winning, 21-7, on a rainy Saturday at Red Lion.

The most pressing game of the season came against Manheim Central. The teams held each other scoreless in a driving rain until the fourth quarter when a blocked punt by guard Steve Maurer enabled the Streaks to win, 7-0.

Manheim Township clinched its first Conference of Roses title October 28 with a 33-6 triumph over Cocalico. A week later they downed Solanco, 45-6, to finish undefeated for the first time. Coach Gene Kruis closed his second season as head mentor at Township with a 16-2 record and a fourteen game winning streak.

Manheim Township's Junior Varsity football team gave pleasant indications of another successful football team in 1962 by posting a 5-0-1 record. A 6-6 tie with a determined Ephrata eleven was the only blemish of the season.

In the first game of the year, the Streaks defeated Solanco, 21-0. They followed this victory with wins over Warwick, 46-13, Hempfield, 25-6, and Manheim Central, 32-6.

The next contest was the tie with Ephrata. The teams didn't score until the Mountaineers tallied in the fourth quarter. George Kling then raced around right end for six points, but the Streaks failed on the extra point try.

Township came back in the last game with a 21-0 win over rival Lancaster Catholic. Bob Norcross scored two of the touchdowns, while Glenn Myers added the third.

The leading scorers for the Junior Varsity were Bob Norcross, George Kling and Dave Stoeckel. Bob led with twelve touchdowns and George was next with five, while Dave had four. The fine running of these players plus the able linemen should greatly aid next year's varsity team.

Bob Norcross runs for a touchdown while George Kling and Tom Philick block out pursuing Barons of Manheim Central.

Manheim Township's newest athletic team, the Junior High Football squad, started off on the right foot with an undefeated season. Their four wins enable the entire football organization at Township to go undefeated.

Under the direction of head coach Mr. Alex Kilkuskie and his assistant Mr. Robert Jackson, the freshmen rolled over Lancaster Catholic in their inaugural game, 34-7. Halfback Kerry Keith led the scoring for Township with three touchdowns, while fullback Dave Zimmerman had two T.D.'s and three P.A.T.'s.

After the Catholic triumph the Streaks rolled over Ephrata, 41-0; crushed Conestoga Valley, 48-0, and ended the season with a 54-13 rout of Solanco. Keith, Zimmerman and quarterback Al Beasley accounted for most of Township's scoring in these games.

The freshman squad finished the season with a total of 177 points scored for the amazing average of 44.3 points a contest. They limited their opponents to 5.0 points a game, for the best defensive average in Lancaster County.

With such a tremendous record, the players from the first freshman football team at Manheim Township can't help but be of value to the Blue Streaks' varsity in the future.

Fight! Fight! Fight on to victory! Throughout the football and basketball seasons Manheim Township cheerleaders can be found chanting the familiar cheers with all their might in hopes the Streaks will be victorious. In addition to cheering the girls hang posters, pass out booster pins, and furnish buses to several away games.

Everyone is amazed by the amount of practice and skill it takes to be an athlete but no one seems to realize the practice it takes to be a good cheerleader. We should all be proud of our cheerleaders and the tremendous amount of spirit they bring to the student body.

Most of the girls attended Hockey Day Camp and were well trained for the season. Although the varsity team began with a loss to Manheim Central, it defeated Solanco and Warwick by wide margins. After losing to Donegal and Elizabethtown, the girls were victorious over Cocalico, Hempfield, and Pequea Valley, ending the season with a 5-3 record.

Courtmen Provide Thrill-Packed

Basket, basket, we want a basket! This year Mr. George Ehemann took over the position as head basketball coach. The new coach took over the task of rebuilding a strong Township team. He set up new plays and drills for the squad headed by returning lettermen Chris Byler, Jody Glass, Ken Huhn, Bruce Keith, and Steve Maurer. The boys practiced diligently each day before and after school. The opening games of the season showed the great improvement in the courtmen. They overcame their early Lampeter-Strasburg and Catholic High opponents. As the season progressed the team began to work as a complete unit, each player doing his job in a fundamental drill or play situation. Later in the season junior, Bruce Keith, was sidelined by a reoccurring knee injury and was replaced by senior Ken Huhn. Although Keith was a great loss to the team, Huhn filled the vacancy very well and proved to be a fine asset to the first string. Players who displayed outstanding performances throughout the season were seniors Harold Landis, Chris Byler, Ken Huhn, Jody Glass, and Steve Maurer. Other boys deserving recognition are Don Lawrence, Charlie Smuck, Mike McCue, Bob Draper, and Jeff King.

Mr. Ehemann and the Township courtmen have made great strides in rebuilding the Varsity basketball team.

Manheim Township's Junior Varsity Basketball team completed one of its most successful seasons in 1961-62. Coached for the first time by Mr. Kenneth Leister, the squad compiled a very respectable record. Five juniors and eight sophomores made up this team. Joe Wuersch, Leonard Byler, Bill White, Dave Stoeckel, Jeff King, and Harry Langford carried the main burden for the Streaks throughout the season.

The Junior Varsity team provided the basketball players with the experience they will need to become effective Varsity material. The juniors on the squad even practiced with the Varsity team. In this way they learned the plays of the Varsity and some of the boys even participated in Varsity contests.

With the kind of performance the team displayed and a check of the records, the fans can rest assured that the future of Varsity play can be nothing but bright.

After dropping their first two games to Manheim Central and Lancaster Township, 36-32 and 31-30 respectively the Manheim Township Junior High Basketball team spurted ahead to win its next five games taking Manheim Central 32-23, Cocalico 39-32, Penn Manor 41-34, Ephrata 30-26, and Warwick 44-24. Having lost the following two to Lancaster Township 48-24 and Cocalico 28-27 the Junior High Streaks came back to down Penn Manor 39-24 to capture Third place in the league.

At the opening of the 1962 basketball season a completely new style of playing techniques was introduced. Coach Kliewer attributes the success of the team to their willingness and ability to learn these new skills. Teamwork was the big word this year. Aided by spurts from Beasley and Zimmerman, the only returning players, the all freshman team ended their season with 6 wins and 4 losses.

Ready, Aim, Fire! The Manheim Township Rifle Team is on its way to another victory. Under the able direction of coach Mr. Dean Lemon, the boys and girls of the team left little to be desired. The squad to date has posted a ten match winning streak and at present stands 4-0 in the league. The Marksmen's national rating was listed as third.

As the only co-educational sport in school, the team does not have a permanent squad. The members of the team chosen to participate in a match are selected from the Rifle Club, also under the direction of Mr. Lemon. Those who tally the highest scores become the rifle squad for that match. Ten members from each team shoot, but only the top five "places" have a chance to score. The top scorers of the team this year include Bill Stekervetz, Mary Stohr, Tom Crago, Tim Funk, Bud Brown, and Steve Pyle.

After the regular season was over, team members participated in the District Individual Shoot. This was held at Manheim Township on March 17. Approximately 50 students from five surrounding high schools attended.

With hard practicing, the Rifle Team has shown much improvement since last year, and it promises to be a first rate squad in the future.

Mary Stohr, Bill Stekervetz, George Brown, and Ed Groff, varsity nimrods, have contributed greatly to the team's finishing in a first place position.

"Ready Swimmers, Take Your Mark!"

The swimmers of Manheim Township now pose a real threat to vaunted McCaskey and York Suburban, but this ability did not come about overnight. Many hours of difficult and nerve racking practice were needed.

During the practices the boys put gloves on their hands and rubber bands on their feet to hinder and slow their movement. If they can overcome these handicaps, they will be able to swim much faster in their meets.

There are many outstanding swimmers on this year's team. Jim Green, who has broken school records in the 100 yard free style, 53.6, the 100 yard butterfly, 59.4, and the 100 yard breaststroke, 1:08.5, Jim is also on both relay teams. Nick Andes, another member of the relay teams, who swam the backstroke in winning time was switched to free style in one meet and to everyone's surprise obtained a first place.

This year six teams will be competing in the district meet to be held at the Franklin and Marshall pool. Each swimmer is entered as an individual not as part of a team. Some of the boys who will participate are: Wally Gaige, Nick Andes, John Stehman, Jim Green, John Helm, Jim Ott, Rick Price, and Dick Green. The final meet of the season, the state meet will be held at Buckness University.

Grapplers Extend Themselves

Although Manheim Township lost many of last year's varsity lettermen, the returning Blue Streak matmen executed outstanding skill in each one of this season's wrestling meets. Township was expected to be merely in the process of building a team this year, but successfully climbed its way right up to place second in the county league. Winning their first meet over Conestoga Valley with a 33-16 victory was only the beginning of the series of wins by the grapplers under the outstanding coaching of Mr. Eugene Miller and Mr. Charles Hungerford. For the first time in three years, the Township wrestlers overthrew Solanco by a score of 29-16. The matmen lost to Manheim Central by a 8-41 margin, but this did not stunt the growth of their power, and they went on to best Octorara, E-Town, Donegal, and Warwick. McCaskey and Hempfield were also whipped by these able wrestlers.

Comprised mostly of underclassmen, the graduating varsity wrestlers will be adequately replaced, and next year Township should again have a top notch wrestling squad.

Dick Miller, using a double bar arm and half nelson, gains three points for a near fall.

J. V. Wrestlers Maul Opponents

A sit out, a chicken wing, a cradle, a little more pressure, a pin, and another Manheim Township opponent is defeated. The J.V. wrestling team won five out of its six matches to make this season a very successful one. Recalling last year, you will remember that there was also only one loss. This year, however, the loss was to Manheim Central and not to Solanco. The team can be proud of their victories over Warwick, Conestoga Valley, Hempfield, Penn Manor, and Garden Spot.

This year there are several outstanding wrestlers. Among the undefeated are William Strohman, wrestling at 95 lbs., Doug Miller, wrestling at 112 lbs., and Phil Greiner, wrestling at 127 lbs. Although not undefeated, Pete Brubaker, whose name we will recall from the football season, is also doing an outstanding job as a wrestler. Three other wrestlers, Bob Funk, Norris Boyd, and John Myers, are also showing promise as future varsity wrestlers.

Won 5 Lost 1

Coached by Mr. Charles Hungerford and Mr. Eugene Miller, the J.V. wrestling team spends most of its time developing fundamentals. Their time is spent not just on trying to win but also upon the idea of producing wrestlers who have fundamentals and are ready to learn the fine points of wrestling as members of the varsity team.

Baseball Nine Finishes Fifth

FRONT ROW . . . Bob Lawrence, manager, Harold Landis, Jeff Wolf, Jeff King, Don Lawrence, Jim Streaker, Bob Norcross, Gary Landis, Tom Rex. **SECOND ROW** . . . Coach Kliewer, Bill Stekervetz, Norman Billipp, George Healey, Dave Stoeckel, Tim Funk, Charles Smuck, Dale Beasley, Dick Magruder, Harold Kling, Jim Cruickshank, Coach Cushman.

Handicapped by the scarcity ot returning lettermen, the Manheim Township baseball squad faced a tough year.

After an opening game shut-out by league champion Cocalico, 9-0 the Streaks retaliated to defeat Warwick 8-0. However, they failed to keep winning as they were beaten by Penn Manor, 4-1. At Ephrata the boys were again defeated 6-4.

The Streaks began the second half of the season with a 6-0 loss to Cocalico. Their second meeting with Warwick evened the series with Warwick winning 7-5. The boys lost a hard-fought contest to Penn Manor by a close 5-4 score. In the last game of the season, retiring Coach Cushman guided his team to a 5-3 victory over Ephrata.

The team completed their 1961 season in fifth place. Their games tallied two wins and six losses.

The outstanding players of the year, Dale Beasley, Dick Magruder, Charlie Smuck, Harold Kling, and Don Lawrence, along with the rest of the squad fought a hard season under the direction of coaches Cushman and Kliewer.

FRONT ROW . . . Frank Kready, Fred Levin, Lee Melen, Daniel Williams, David Halperin, Lewis Hemmer, Coach Charles. **SECOND ROW** . . . Coach Bare, Larry Hammond, John Hansen, Ronald Barber, Gary Newkirk, David Grahek, Manager Jerry Graul. Absent: James Buller, James Bechtold, George Kauffman.

Tennis Squad Exceeds Expectations

With only two returning lettermen, the Streak tennis team had dim hopes for a winning season.

After an opening game defeat at the hands of Warwick by a score of 4-3, their hopes grew even dimmer. However, when they took the measure of Penn Manor 6-1, and Garden Spot, it became evident that the team's chances for a victorious season were brighter. The boys overpowered Manheim Central in the next engagement 7-0. Conestoga Valley and Hempfield were beaten by identical scores of 4-3. Keeping their string of victories alive, the netmen upended the McCaskey J.V.'s in a 5-2 decision.

At this point with a record of 6 wins and 1 defeat, we were tied for the league lead with Donegal, our next and last opponent. Spirits were high as the team headed for this most important game of the season. The game was even going into the last doubles match, but Donegal's experience proved to be too much as they won by a 4-3 score.

This loss gave us a 6-2 record enabling us to finish in a very respectable second place.

Ronald Barber will be the only senior member on the 1962 team. Much of the burden of success will rest on his shoulders.

Township Golfers Show Promise

GOLF SQUAD . . . **FRONT ROW** . . . Coach Palkovic, John Prouty, Bill Charles. **SECOND ROW** . . . Mike Shell, Gary Penn, John Turnbull, Dick Denlinger, **THIRD ROW** . . . Mike Tinney, Wally Gaige, Dave Bishop, John Hershey.

Weakened by the graduation of three seniors, including former District Champion King Knox, the 1961 Manheim Township golf team included returning lettermen Rick McCray, a junior, and Dick Denlinger, a sophomore, plus Wally Gaige, John Hershey, and Mike Tinney. Although the team finished the season with a record of 6 wins, 8 losses, and one tie, there is a strong nucleus which promises to secure a better record in 1962.

The highlight of the season came when the young Streak golfers upset Hershey, by a 12-8 margin. It was the first time the Streaks had ever beaten Hershey and this defeat broke their 15 match winning streak.

Streak Cindermen Capture League

Bob Rockwell gives the shot put a mighty heave.

Harry Langford and Chris Byler clear hurdles during a timed workout.

Manheim Township completed its third consecutive undefeated season and captured the league crown for the third straight year. The Streaks also won the Lancaster County and the Manheim Lions Meets, each of these for the fourth year in succession. In remaining undefeated the Streaks have now won thirty-one dual and triangular meets in a row.

Five school records fell during this perfect season. New records were set in the mile, the shot put, the discus, the pole vault, and the 220.

By placing in their events at the district track meet held at McCaskey High School, Chris Byler and Jody Glass were entitled to compete in the state track meet which took place at Penn State. Jody went on to place fourth in the javelin event.

Despite the graduation of several outstanding seniors, there will be a strong nucleus of seniors and underclassmen which should give us another winning season. This nucleus is comprised of Steve Maurer, the mile, Jody Glass, the javelin, Chris Byler, the pole vault, Harry Langford, the hurdles, and Bob Rockwell, the shot put. These track stars could very well lead the Streaks to another undefeated season and conference championship.

Steve Maurer gets ready for the long mile run.

Crown for Third Straight Year -

Harry Langford, Lloyd Colio, Dave Morrison, Jody Glass, Ted Weaver, Chris Byler, and Steve Maurer, along with Mr. Kilkuskie and Mr. Hower Pace-Setters of the Township track team admire the well-earned County League and County Meet trophies.

Jody Glass, who placed fourth in the State meet, practices hurling the javelin.

Doorway to a Better Education

"They who educate children well are more to be honoured than they who produce them."

The class of 1962 at Manheim Township High School wishes to express its appreciation to the faculty, administration, and board of directors for their capable guidance in our intellectual, physical, spiritual, and social growth. We are fortunate to have been able to work with such dedicated teachers and modern facilities. When we entered Manheim Township schools, we indeed entered "Doorways to a Better Education."

Serve Unselfishly, and Faithfully

Snow! Snow! Snow! Plows and road blocks! No matter what the weather, our capable bus drivers are always behind the wheel, safely bringing us to and from school each day of the year.

Washing blackboards, cleaning hallways, and mowing lawns are just a few of the many jobs that the maintenance men, and cleaning ladies undertake each day. Although we do not always see them, they are making our classrooms more comfortable and making the needed improvements in and around our school buildings.

Other indispensable people in our school are the dietitian and cafeteria cooks. It is their job to furnish the student body with a variety of wholesome food at a price which they can afford.

SENIOR HIGH CUSTODIANS . . . Mr. Bedi, Mr. Frey, Mr. Reidenbaugh.

Doorway to Preparation

Success in any vocation or in any area of life comes only through thorough preparation. Manheim Township High School seeks to give each student opportunity for this preparation.

Each underclassman is privileged to use the extensive curricular and extra-curricular activities programs which are placed at his disposal. Intelligent use of these activities will become the foundation for each one's success in his chosen field, and should challenge all students to add to the distinguished honors that numerous alumni have brought to their Alma Mater.

On the fading shadow of the seniors appear the members of the junior class, formulating their responsibilities and choosing their leaders. They are preparing themselves for the task which lies ahead of them when they will become the seniors of Manheim Township High School.

The high points of the junior year included the annual Halloween Queen contest in which Kathy Delaney, Mary Murphy, and Diana Zimmerman represented the class; the all school dance, sponsored by the junior class; and the junior play, held March 30 and 31, 1962.

The junior year seemed to be a whirl of testing programs, but now that these tests are completed, the juniors look forward to their last and best year at Manheim Township High School.

Sophomores Meet New Challenges

Blasting off on a proper trajectory into senior high school is the goal of the sophomore class. Promoted only last year from junior high school, the sophomores anticipate an enlightening and enjoyable experience centered around school and its diversified activities. The tenth graders realize that academic achievement is more important now than ever before. With a knowledge of the problems of the upperclassmen, they are striving to be the concerned citizens of today and the effective leaders of tomorrow.

Many Opportunities for Freshmen

Doorways to the future are opening wide for the class of 1965: In many courses there are new approaches designed to challenge every student and to prepare him for our complex world with its ever-widening opportunities. The freshmen will be able to enjoy the full benefits of the newly installed language laboratory and a four year language sequence. A theory method has been introduced into the college preparatory science course.

With these innovations as examples of the freshmen's future at Manheim Township and as evidence of more to come, the freshmen only have to walk into the doorways which are opened for them, and there they will find opportunities with which to improve themselves and to help create a better world society.

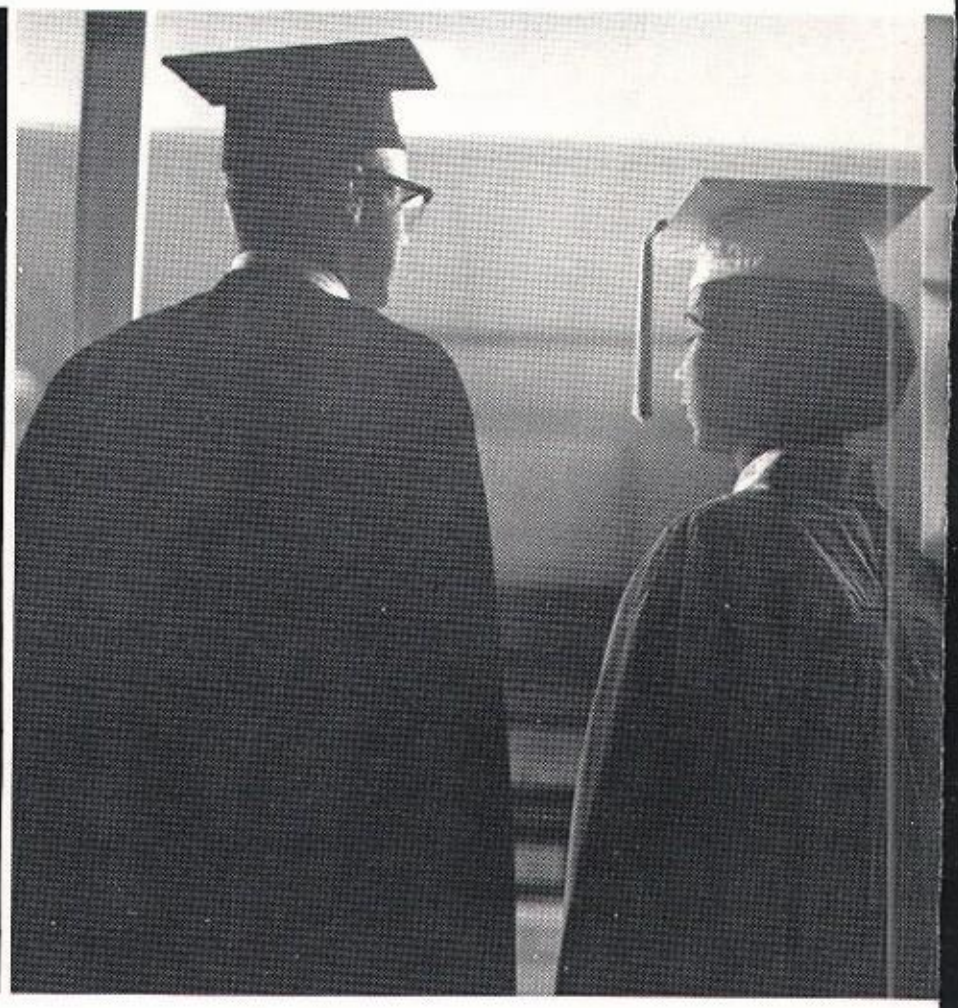
Doorway to the Future

Butcher, baker, candlestickmaker? To what do the doorways of the future open?

With the guidance of our parents we have passed through the doorways of childhood and innocence. Our teachers have opened the doorways of learning and understanding. Our extra-curricular activities have shown us doorways to diversion and avocations.

Now as we pass through the doorway to the future, whatever the future may be, we pledge to use all that we have gained, in the interest of a better world.



Seniors face the challenge of the future.

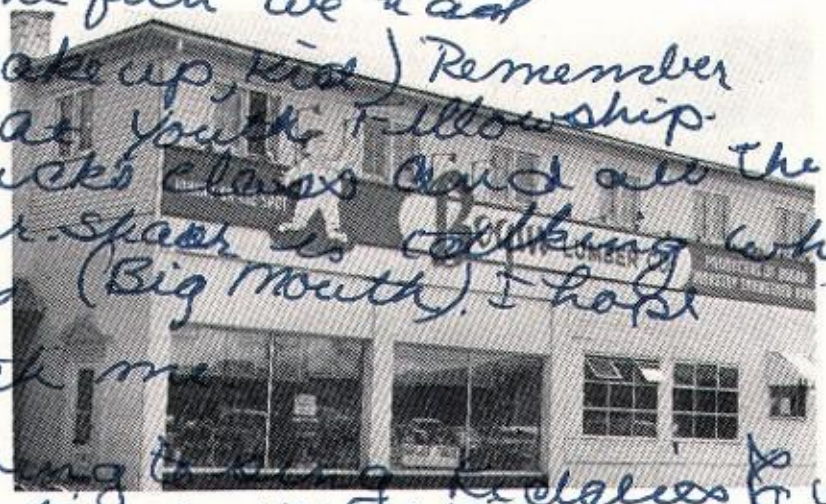
MILLWORK A SPECIALTY



Dear Carol,
Remember all the fun we had Tues. morning. (Wake up, kid) Remember the pep we had at Youth Fellowship. Remember Chuck's class and all the cough drops. Mr. Spahr is talking while I'm doing this (Big Mouth). I hope he doesn't catch me
Now we're going to have Ridges & Eggs!)
Remember the times you waited and waited for me at the art room before we went to the [illegible] Have fun this summer.

Knowledge Puts Wings on Ambitions

Great opportunities and challenges are ahead for the Class of 1962 on the horizons of the world today.

The new knowledge gained in school will help you meet those challenges and take advantage of those opportunities. It will help you unlock your talents so you can make a greater contribution to your family, your job, your community.

New Holland Machine Company has been learning, too. The new knowledge gained in its laboratories and shops and on its experimental farms is helping build better labor-saving machines for modern farmers. It is helping provide bigger and better crops for a growing population.

New Holland congratulates the Class of 1962 as one of its new partners in setting a new course into the orbit of tomorrow.

Carol,

Best of Luck in the future and do me a favor. Watch Dale for me don't let him flirt with other girls while he is in church. That is when he goes.
